

Dear Indian Life,

I am requesting more copies be sent to us for our inmate population. At this time we are receiving one print newspaper, can this be increased to 15? We have 40 Native Americans who participate in ...ceremonies weekly at this time and it would be very much appreciated. Also if you have any books that can be donated to add to our chapel library for the inmates use that would be a huge blessing.

Requesting information if donations of the Indian Life newspapers could be made to our Chapel Lending Library within my facility for my Native American population? I am asking for 10 copies of each issue as they come out or from past issues as well. We do have one issue coming into my facility but it is not enough to meet the needs of all my Native inmates. Thank you for your consideration of this matter.

Sincerely,

Dear Indian Life,

You are presently sending one Indian Life magazine to the Native American inmate population here at Deerfield Correctional Center and it is greatly appreciated. But I have a hard time making sure that all the Indian residents get to see it. Therefore I would like to ask if there is any way you might be able to send at least six magazines per month as well as anything else you might wish to donate.

Thank you in advance for all that you are able to do in support of our Native American residents here at Deerfield. May God continue to richly bless you in your service.
